

Power of the Pen Student Volunteer Runner's Commitment Contract

Thank you for serving as a runner at the Power of the Pen State Tournament! As a runner, you will carry tournament writing and messages between judges and Power of the Pen tournament staff. This important role helps the tournament run smoothly.

Runners are assigned to specific rooms and roles in the writing buildings. Runners must stay until their assigned judges have completed the judging for Round 2. This means that runners usually complete their responsibilities about 20-40 minutes after writers are finished, making runners later for lunch.

By signing this form, runners commit to:

- Attend an orientation session at the designated time in the schedule on either Thursday afternoon or Friday morning of the tournament. There are no exceptions.
- Be in your assigned building, at your assigned classroom, no later than 9:55 a.m. Friday, ready to assist with the task of running ballots to designated check-in tables or the tabroom.
- Be attentive to duties, maintain a quiet writing atmosphere, and refrain from disruptive or inappropriate behavior on campus.
- Remain at your assigned post until duties are complete to the satisfaction of your building monitor and/or writing supervisor.
- Be ready to assist in other capacities as needed.
